Dear Dr Smith

Recreational Only Finfish Park for the Marlborough Sounds

As you may recall the Kenepuru and Central Sound Residents' Association has keenly supported your endeavours to achieve the above for the Marlborough Sounds.

Back in late February we made a lengthy submission in support on the Governments discussion document concerning this and Marine Protected Areas generally.

At our AGM members made it clear that they were heartened by your passionate advocacy of this matter and overall progress to that point.

The purpose of this letter is to seek from you an indication of the next steps and proposed timeline.

We look forward to your response with interest.

Yours sincerely
